In 1994 or 1995 I	was working as a Correct	ions Officer in the	Manitowoc County Jail.
I recall receiving a telephone call in the Central Control area from an individual			
who identified hi	mself as a detective emplo	oyed by an agency ou	tside the Manitowoc
County area. This dective stated he had received information that a person they had			
in custody in their jurisdiction had been commenting that he had committed an assault			
in Manitowoc County and that someone else wwas in jail for it. As I had no knowledge
